Thank you for choosing **Louisville Endoscopy Center!** Our gastroenterologists and staff are dedicated to providing quality, affordable care to the community in our quest to lower colon cancer rates and treat an array of digestive diseases. Appointment times are tentative based on the Physician's schedule. Cancellations must be made 48 hours **in advance**, or a cancellation fee of \$150 may be applied. For more information visit our website at [www.louisvilleendoscopycenter.com](http://www.louisvilleendoscopycenter.com).

### **BILLING & INSURANCE:**

At the time of your visit, please provide your insurance card. It is your responsibility to confirm your medical benefits and coverage with your insurance company prior to your procedure. Deductibles, co-insurance, and non-covered services are your financial responsibility and will be collected on the date of your scheduled procedure. The Louisville Endoscopy Center does not perform billing services. Our billing services are provided by Gastroenterology Health Partners (Physician & Pathology services) and Amsurg (Anesthesia & Facility services).

### **HOW TO PREPARE FOR A COLONOSCOPY**

#### **14 DAYS BEFORE THE PROCEDURE:**

1. Notify us if you take any **prescription/Over-the-Counter diet pills or GLP-1 drugs**. Examples include, but are not limited to *Adipex-P, Ionamin, Phentermine, Pro-Fast, Albiglutide, Beinaglutide, Bydureon BCise, Byetta, Dulaglutide, Exenatide, Fulaimei, Liraglutide, Lixisenatide, Lixumia, Mounjaro, Ozempic, PEG-Loxenatide, Rybelsus, Saxenda, Semaglutide, Tanzeum, Tirzepatide, Trulicity, Victoza, or Wegovy*.

#### **10 DAYS BEFORE THE PROCEDURE:**

1. A prescription for bowel prep is **electronically sent to your pharmacy**.

#### **7 DAYS BEFORE THE PROCEDURE:**

1. Pick up the prescription for bowel prep from your pharmacy. If you're taking Bowel Prep #5 or Bowel Prep #6, you will also need to purchase a clear, 10 ounce bottle of magnesium citrate **-OR-** at least 4 Dulcolax stool softeners.
2. Notify us if you have a history of chronic constipation.

3. Notify us **as soon as possible** if you take any **anticoagulants, blood thinners, or iron supplements. DO NOT STOP TAKING YOUR MEDICATION WITHOUT TALKING TO YOUR DOCTOR.** Examples include, but are not limited to *Aggrenox, Apixaban, Arixtra, Brilinta, Cilostazol, Clopidogrel, Coumadin, Dabigatran etexilate, Effient, Eliquis, Enoxaparin, Entresto, Fondaparinux, Heparin, Lovenox, Plavix, Pletal, Pradaxa, Prasugrel, Rivaroxaban, Sacubitril-Valsartan, Ticagrelor, Warfarin, Xarelto.*
4. Notify us if you have a defibrillator, AICD, or any upcoming cardiac/diagnostic testing that has not been completed or that you have not received results for yet.
5. Notify us if you have any communicable disease, staph infection, MRSA, VRE, TB, shingles, or any signs/symptoms of Covid-19.

### **1 DAY BEFORE THE PROCEDURE:**

1. Clear Liquid Diet only. Nothing red or purple, no dairy or milk, nothing with pulp. You may have bowel prep, water, broth, apple or white grape juice, Crystal Light, Gatorade, PowerAde, Kool-Aid, lemonade, black coffee, Jell-O (without fruit), popsicles or Italian ice (without fruit), soft drinks, or tea. \*Please note caffeinated beverages can lead to worsening dehydration.
2. No “energy” drinks, alcohol, marijuana, or illicit drugs within 24 hours of the procedure.
3. **If you take medication for diabetes- only take half the day before your colonoscopy (\*\*This does NOT include GLP-1 Agonists).**

### **DAY OF THE PROCEDURE:**

1. No solid food.
2. Clear Liquid Diet **until 3 hours before your scheduled ARRIVAL time.** After this- nothing by mouth. No gum, mints, cigarettes, or candy. Procedures will be postponed/canceled if you eat or drink within 3 hours of scheduled **ARRIVAL** time.
3. Take regularly prescribed medication, unless otherwise instructed. Medications may be taken **3 hours before your scheduled ARRIVAL time** with a sip of water.
4. **DO NOT TAKE medication for diabetes. Bring them with you.**
5. Use any *inhalers* the day of your procedure. Bring them with you.
6. **DO NOT TAKE stimulant medications for ADD/ADHD.**
7. Bring your insurance card, photo ID, list of current medications, and Living Will/Advanced Directive.

8. Arrange for someone 18 years of age or older to drive you who will remain on the premises while you are at the Center. The lingering effects of sedation make it unsafe for you to drive, operate machinery, make critical decisions, or do activities that require coordination or balance the day of your procedure. You may resume normal activity the next day. Public/commercial/medical transportation may be used if you are accompanied by a responsible adult who will be staying with you. The trusted individual escorting you will also be asked to sign medical discharge papers.
9. Women of childbearing age may be required to take a pregnancy test. Refusal may result in cancellation.

### **BOWEL CLEANSING / BOWEL PREP INSTRUCTIONS**

Follow the bowel prep instructions in this packet. \*DO NOT follow the instructions from the pharmacy or in the box of bowel prep. You may experience preparation-related symptoms of nausea, bloating, or cramping. **Contact your physician if you develop significant vomiting or signs of dehydration.** Stools should be see-through and look like clear, yellow urine by the end of the prep. **Contact your physician if stools are not clear-yellow following the entire bowel prep.** To reach someone at the Center during normal business hours (7:00 am – 4:30pm), call **502-636-2003**. To speak with the on-call physician, call **502-452-9567**.

### **5 BOWEL CLEANSING PREPARATIONS**
